

MACLEOD SCHOOL FAIR A GREAT SUCCESS—SPLENDID DISPLAYS IN ALL DEPARTMENTS

SPILLERS COMPLETE NEGOTIATIONS WITH ALBERTA-PACIFIC GRAIN CO. TO ACQUIRE CONTROLLING INTEREST

Spillers Overseas, Limited, huge British milling company, has completed negotiations with the Alberta Pacific Grain Company.

It is understood this means the acquiring by Spillers, Limited, of the controlling interest in the Alberta Pacific Grain Company. The administration is to remain the same, with John I. McFarland, now head of the Alberta Pacific, as managing director, and the present staff will be retained.

Invest \$6,500,000
This arrangement completes negotiations carried on by Spillers during the last few months in connection with the announced intention made some time ago of investing \$6,500,000

in Western Canada. The company has already secured control of the Alberta Flour Mills, Ltd., with a daily capacity of 10,000 barrels and is building a huge terminal elevator at Vancouver with a capacity of 2,000,000 bushels and at a cost of \$2,500,000.

The Alberta Pacific Grain Co. owns and controls 283 elevators, two-thirds of which are situated in this province and the remainder in Saskatchewan with the exception of one or two in British Columbia.

The company was organized in 1923 to take over the interests of the Alberta Pacific Elevator Company, Limited, with an authorized capital of \$5,000,000, being equally divided between preferred and common stock, and \$500,000 has been subscribed in each case.

The consummation of the transaction involving the absorption of the Alberta Pacific Grain Co. means the completion of the third and last link in the chain that promises to be the greatest private system engaged in the Western Canadian grain trade.

The British company is now in a position to complete a big grain export system. It will buy the desirable milling wheat from the Alberta farmers, ship it through its Vancouver terminal to its old country mills in the bottoms of its private fleet. In addition, it will operate in Calgary one of the largest mills in the country.

The purchase of elevators in Alberta and other western provinces means the establishment of direct contact between the western farmer and the consumer in the Old Country. Spillers operate the largest mills in the world.

LIFE IMPRISONMENT FOR LEOPOLD AND LOEB
Chicago, Sept. 10.—Life imprisonment was the punishment fixed today by Judge John R. Caverly upon Nathan Leopold, Junior, and Richard Loeb, confessed kidnapers and murderers of 14-year-old Bobby Franks. This was a complete victory for the defense.

Youth was the controlling factor in Judge Caverly's decision. He said no minor had ever been sentenced to death in Illinois, on a plea of guilty. "The court finds no mitigation in the crime itself in the defendants' personalities or their antecedents," said Judge Caverly. He then accepted "full responsibility for declining" to impose the death penalty on persons who are not of full age.

The court adjourned ten minutes after convening.

The court passed separate sentences on the murder and kidnapping charges, namely, life imprisonment as the punishment for the murder and imprisonment for 99 years on the kidnapping indictment. This was to meet legal technicalities.

If the law required everybody to attend to his own business there wouldn't be much need of other laws.

Relatives are people who visit you when the weather gets too hot for them to do their own cooking.

It's odd how few sneering critics of Carpentier tell him face to face.

MACLEOD STAGES EXCELLENT BOXING AND WRESTLING TOURNEY

One of the best boxing tournaments ever seen in Macleod was witnessed at the Town Hall last Wednesday evening. The occasion was the forming of the Macleod Athletic Association, and a large crowd was in attendance to give the boys a good send-off on their first program. Mayor Macdonald acted as Chairman, and introduced the different contestants. The committee appointed for the season were J. W. McDonald, Sgt. J. A. Webb, H. Little, G. Reynolds, A. C. Aides and A. Macleod. This committee will arrange a winter's program which will be submitted at the next tourney, which is to be held sometime this month. The program for last evening was fast and snappy and the audience evidently appreciated the boxing and wrestling by the splendid hand given to all contenders. There were six boxing bouts, all of which ended in a draw, according to the decision of Referee Adams. Following are the list of boxers in their different classes. Dunn vs Pearson (Bantam), Campbell vs N. Dillingham (135), Wood vs Lewis (160), Reynolds vs McDonald (145), Field vs Field (Heavy), Henshaw vs Wood (160), Field vs Field (feather weight).

One of the prettiest contests was between Campbell and Dillingham, both these lads are good boxers, and the three two minute rounds were full of snappy interchange of blows well guarded and delivered. The wrestling match was another pleasing item on the program, and the spectators were given twenty minutes of excitement when Tobiasson an Icelandic weighing 175 pounds, grappled with Kilpatrick, a Calgary who weighs 145 pounds. The lighter man showed far more speed and aggressiveness, and on several occasions extricated himself from some nasty holds, but the weight of the heavy contender finally told, and Tobiasson won the fall in 21 minutes. Russell Reynolds refereed the wrestling match. The boxing bouts were three round bouts of two minutes with one minute interval. A. C. Macdonald holding the watch. The Town Hall was filled to capacity, all standing room being taken before the program commenced.

The bouts are open to all comers, and any would-be contender is asked to send in his name to Macleod Athletic Association, to be included in the next regular program.

after convening.

The court passed separate sentences on the murder and kidnapping charges, namely, life imprisonment as the punishment for the murder and imprisonment for 99 years on the kidnapping indictment. This was to meet legal technicalities.

If the law required everybody to attend to his own business there wouldn't be much need of other laws.

Relatives are people who visit you when the weather gets too hot for them to do their own cooking.

It's odd how few sneering critics of Carpentier tell him face to face.

The Annual Macleod and District School Fair held Wednesday afternoon proved to be a wonderful success from every viewpoint. The entries this year were numerous and the quality of exhibits was excellent. One of the striking features of the Fair was the splendid display of school work both from the town and from the country, and it was noticeable this year that the rural scholars captured many of the first and second prizes. The cut flowers, wild flowers and sweet peas display was excellent, and Master Edgar, the prize-winner in these entries, deserves the premiums won as his cut flower exhibits were the best seen in Macleod for many a long day at this late season of the year. In the vegetable classes the judging was very difficult as there were so many splendid specimens to choose from, and the judges in these classes had a far from enviable task. Another noticeable feature was the splendid entries in the swine class, and young Freeman thoroughly deserves the red tickets he carried off in this connection. Entries in the pony class were also good, as were all live stock exhibits.

A splendid program of races for boys and girls was run off in front of the grand stand, and hundreds of

eager contestants ran in the 50 and 100 yard dashes in almost professional style; and the girls were not one iota behind the boys in filling races and stepping out smartly in the dashes. There were flat races, bicycle races, sack races, centipede races, pony races, pillow fights, novelty races for boys and girls from 6 to 18 years old. One disappointing feature was that the Teachers' Race did not have an entry, and the prize box of chocolates offered in this event instead of being a boon to some fair entrant was lost sight of and possibly may have been devoured by some mere man.

The Macleod Band was in attendance during the afternoon, and added greatly to the pleasure of the occasion.

The Fair was well attended, and the crowd seemed to thoroughly enjoy themselves.

Secretary Gardiner with his aides deserve much credit for the successful outcome of this interesting yearly event, and from the attendance it is to be deduced that the Macleod and District School Fair is yearly growing in popularity.

A full list of the premium winners will appear in next week's issue of The Times.

DEATH OF MRS. R. H. HILLIARD

As The Times goes to press word comes of the death of Mrs. Robert H. Hilliard at the Central Alberta Sanatorium, Calgary, on Wednesday evening, September 10th. Mrs. Hilliard's death comes as a shock to this community as it was understood she was progressing favorably.

The funeral will take place on Friday, September 12th at 3 o'clock p.m., from Christ Church, Macleod, to the Union cemetery.

WHAT GOES TO MAKE A GARDEN

You cannot make a garden out of flowers
And nothing more—you must take
flimsy wings
And singing companies of feathered things
And sunlight tangled by the impish showers
With shreds of rainbow—yes, and
fragrant hours
Of twilight, fraught with ghostly visitations
Of moths, and nights of starry visionings
Presaging dawn and birth and their strange powers.
You must take patience, too, and tenderness,
And laughter, waking light at beauty's touch,
And silence wrought of muted murmuring.
There must be healed pain and weariness
And some bright tears—O heart, is this too much
To offer for a garden's perfecting?
—Marion Brown Shelton

MUNICIPALITIES TO BEAR HALF OF COST PROVIDING RELIEF

Ottawa, Sept. 5.—The unemployment conference called by the federal government came to a close shortly before midnight with the adoption of recommendations for meeting conditions of unemployment throughout Canada. The report, which was drafted by a special committee appointed at Wednesday's session, made the important recommendations that emergency relief should be granted when, after full and careful consideration, it was found to be necessary. The expense of such relief, it stated, should be borne by the federal, provincial and municipal authorities on the basis of 50 per cent. by the municipalities and 25 per cent. each by the province and the Dominion.

OBITUARY

DEATH OF MRS. JEANNETTA DIXON

Mrs. Jeannetta Dixon died at the home of her daughter near Mud Lake, September 3, and was buried at Barons, where her husband was buried only a month ago. The late Mrs. Dixon was born in Virginia, U. S. A., and came with her husband to Alberta twelve years ago. They have lived near Barons for most of this time, and moved to the Mud Lake district this spring. The late Mrs. Dixon was ill only a few days.

DEATH OF ALBERT TAYLOR

At the hospital, September 5, Albert Taylor died at the age of 72 years. He was born in the United States, and had lived in Canada for a few years, where he had a farm, and had been in the hospital for some weeks.

"CHILD WELFARE"

I have been asked to write an article on "Child Welfare" as I see it during my travels.

Let me say that there is in most of the Women's Organizations a "Child Welfare Convention" who I presume has her co-workers. These ladies interest themselves in this work for their community, which I shall go into detail explaining, as each organization would have its own method of procedure, of these I am not familiar, but I am going to alter the subject allotted to me somewhat. As a nurse, my attention is frequently drawn to those children who are not receiving the quota of care and training necessary for good health and longevity. There are hundreds of Mothers who are doing the very best for their children but at the same time, through lack of knowledge and numerous other reasons, conditions exist that might be helped considerably by a few words of advice. May I here draw your attention to a few facts:

A Few Things To Be Remembered
1. That the child is being trained from the moment it is born, please do not start out on a road of irregularity, in this way you are laying up all sorts of trouble for yourself, and ruining your child's constitution and perhaps its health.
2. Regularity is the secret of success in child raising as in all the sciences.

(A). Bath regularly night and morning.

(B). Feed regularly by the clock, as per Doctor's instructions every 3 or 4 hours.

(C). Put to bed in a quiet cool room, window open, without the light, and close the door.

(D). After the child reaches the age of one year and on regularly is just as important then as during infancy. Try to picture that this little child is being moulded in so far as habits, brain development action, speech, and character. The things you do enter into his mind and form their little reads which actually mean habits. Please do not spoil through carelessness, ignorance or over indulgence, this sacred gift which you have been given.

3. That a baby cries when it has indigestion from over feeding or improper feeding. When pins are pricking it. When it requires attention. When it has perhaps been lying too long in one position or insufficient feeding.

I have no sympathy with the Mother who boastfully tells that "Baby never goes to bed until 11 or 12 p.m." or the lady who comes into a home and says "She is all tired out," "Baby wakes them up every morning at 3 o'clock and won't go to sleep until 6 o'clock. There are times when a baby will wake during the night perhaps he requires attention or a drink of water, but that is no reason for the fond parents turning on a strong light by his bed, talking to him and finally taking him into bed with them. It is done to-night, tomorrow-night the child tries it again and thus many well behaved babies are spoiled.

Please remember that habit forma-

tion is the all important factor in the training of a child. A primary tendency in all children is imitation, and the parents may be directly responsible for certain characteristics of their children.

Any Mother who is interested in books and prophetic on the care of children can be obtained free of charge, by applying to The Canadian Red Cross Society, 208 Beveridge Building, Calgary, Alta.

THE CHINESE SITUATION

Shanghai, Sept. 4.—The Chekiang troops of General Lu Yung-Hsiang engaged in defending this city from the attack of the Kiangsu troops of General Chi Shieh Yuan, are falling back on Shanghai today, according to reports from the fighting front.

Shanghai, Sept. 4.—The Kiangsu troops of General Chi Shieh Yuan launched a heavy attack on Hwang, near Shanghai today and were repulsed, according to a statement issued by General Lu, the Chekiang commander. Another attack was developing, the statement added.

Two airplanes piloted by Russians conducted bombing attacks without effect.

40,000 Troops Engaged
Shanghai, Sept. 4.—(6 p.m.)—Though troops estimated to number 40,000 battled throughout this sunshiny day, competent eye witnesses declared tonight that neither side had made any material gain in the fighting.

The battle front today extended from the line of the Shanghai-Nanking railway to the Yangtze river, about 18 miles from Shanghai at its nearest point and about 25 miles at the most distant.

Tokio, Sept. 6.—Several Formosan of Japanese nationality have been killed by Chinese soldiers at Amoy, China, according to newspaper dispatches from the Chinese city. It is said that the men were killed during the disorders in connection with the war in China. The Japanese navy department has sent four destroyers from Pescadore Islands, near Formosa, to Amoy, to protect Japanese subjects.

Pekin, Sept. 8.—General Chang Tso Lin, war lord and military dictator of Manchuria, has notified the foreign consuls stationed at Mukden, principal city of Manchuria, that in view of the approach of rival Wu Pei-Fu forces in the vicinity of Shanghai, Kwan, he will be obliged to marshal his forces with Tienchow, Manchuria, as the assembling point, foreign official circles reported here today.

Victoria, Sept. 10.—A special dispatch to the New Republic, Chinese daily published here, reports a fire burning in Pekin area along a 15-mile front.

Rainstorm Halts Fighting
Shanghai, Sept. 9.—A terrific rainstorm, which continued several hours and flooded Shanghai streets to a depth of two feet late this afternoon, halted fighting between the Chekiang and Kiangsu armies west and north-west of the city.

Regained Ground

Shanghai, Sept. 9.—The Chekiang forces defending Shanghai against the Kiangsu troops have regained all the ground they had lost in the Lieuh sector, northwest of this city. It was announced here late today; Heavy rain stopped the fighting this evening.

PREMIER KING COMING WEST

Ottawa, Sept. 5.—Premier King expects to leave for the west, where he is to make a series of speeches toward the end of the month. Right Hon. Arthur Meighen, leader of the opposition, may also make some speeches in the west during the fall, although a program has not yet been decided upon.

SOMETHING NEW IN CONGOLEUMS

Couillard & Lush are showing a fine line of new Congoconium—will not crack or break—be sure to see these excellent Congoconiums before purchasing other floor coverings.

COMING EVENTS

FORESHADOWED

Mr. Justin A. Miller, instructor in the Lethbridge Conservatory of Music, is in Macleod every Thursday and wishes to meet all those who are interested in the study of music. Instruction may be had in piano, voice, violin, theory, and all wind and stringed instruments. Pupils prepared for the Royal Academy examinations. Mr. Miller is a specialist with beginners as well as advanced players and offers a special rate for beginners. Please phone 40 for information. 28-11

There will be a meeting of the Local Council of Women in the Parish Hall, on Tuesday Sept. 23rd at 4 p.m. The resolutions to be voted on at the Annual Meeting of the National Council of Women will be considered, and our delegate instructed how to vote. Mrs. G. C. Edwards will speak on some of the resolutions. The members of the affiliated Societies are urged to be present.

ANY BASE
A baseball player was wrangling with his manager about terms. The player had refused to sign a contract for the amount offered by the manager and the latter, somewhat peeved, asked:

"Well, tell me, on what basis will you play?"

"First, second, or third," replied the player.

MACLEOD WOMEN'S INSTITUTE WILL HOLD FOURTH ANNUAL CONSTITUENCY CONFERENCE

The Fourth Annual Women's Institute conference of the Macleod—Clareholm Constituency (which also includes Monarch) is to be held in Macleod on September 17th.

The Macleod branch of the Institute is busy making plans to give the visiting Institutes a pleasant afternoon and evening.

Mrs. Lynch-Staunton, of Lundbreck, convener of District No. 4, will be one of the principal speakers. Mrs. J. P. Ross, of Granum, convener of the constituency, will preside.

Following is the program, which will commence at 2 o'clock p.m. on Wednesday, Sept. 17th.

Program

Opening—"O Canada."

Community Singing.

"A Club Woman's Creed."

Addresses of welcome—Mayor J. W. McDonald; and by Miss Muir representing the local Council of Women.

Song—Mrs. (Rev.) Kennedy.

Remarks from Mrs. Lynch-Staunton.

Minutes of last Conference.

Business arising from minutes.

Duet—Mrs. Tilden and Miss Whitney, of Granum.

Address—Mrs. J. P. Ross.

Reports of Women's Institutes.

Reports of Standing Committees.

Election of officers.

Plans re demonstration for constituency.

Cello Solo—Miss Griffin.

Adjournment.

Banquet.

Evening Session 7.30

Opening—"O Canada."

Community Singing.

Reports of Standing Committees.

Reports of Institutes.

Music—Selected.

Address—Mrs. Lynch-Staunton.

Violin Solo—Mrs. Jones.

Votes of Thanks, etc.

"God Save the King."

The following is "A Club Woman's Creed" used by the Women's Institute.

"A Club Woman's Creed"

Keep us, O God, from pettiness; let us be large in thought, in order, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away pretence and meet each other face to face without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant we may realize it is the little things that create differences; that in the big things of life we are one.

And may we strive to touch and to know the great common woman's heart of us all, and O, Lord God, let us not forget to be kind.

OH YOU BOBBY

Little Bobby (at school)—The people of London are noted for their stupidity.

Teacher—Wherever did you get that information?
Little Bobby—From this book Miss. It says the population of London is very dense.

No prominent citizen seems as awesome after you see his matronly figure in a bathing suit.

To an old-timer the strange thing about the modern dance is that people call it a dance.

Education is what makes people with a paunch decide against a second report.

Don't assume on a full stomach. If you cannot converse, do it standing.

Another special privilege coveted greatly is special ability.

Some day a candidate will make a speech of acceptance as follows: "Yes." And then we shall die happy.

Spanking the old-fashioned boy may have been wrong, but it kept him from thinking his mother a valet.

Seeds are sterile; the best way to produce political plums is by grafting.

The thing that makes the seat of Government uncomfortable is the tax.

Well, if religion gets into politics, some of it may get into politicians.

If something must be hugged, let it be the curve, not the driver.

HUDSON'S BAY BUILDING

MACLEOD, ALBERTA

NEW FARM INVENTIONS FOR ALBERTA

Patents on two inventions which promise to advance the agricultural industry in Alberta a long step forward, have recently been secured by the Alberta Department of Agriculture through the efforts of Hon. Geo. Hoadley, Minister of Agriculture.

One of these inventions, created by three farmers resident in the Sedgewick district, is a new ensilage cutter which is designed to eliminate much of the labor detailed in harvesting heavy ensilage crops. The invention

is a machine drawn by three horses which not only cuts the crop but also cuts up the ensilage and dumps it into a wagon traveling alongside. Those who have handled heavy crops of sunflowers will realize what a boom such a machine would prove to be. Some time ago Mr. Hoadley took the invention up, and has had a machine manufactured for test purposes. He has also secured the patent rights on it for the three western provinces. During the next few weeks tests of the machine are to be carried out at Lethbridge, High River, Strathmore, Olds, Lacombe and Edmonton. The machine is at present at the experimental farm at Lethbridge, where it

LONDON DRY GIN

The Gin You will ask for again

This advertisement is not published or displayed by the Alberta Liquor Control Board or by the Government of the Province of Alberta.

REACH & COMPANY, LTD.

DRY GOODS, BOOTS & SHOES, CLOTHING, ETC., GROCERIES, FRUITS, VEGETABLES, PROVISIONS, ETC.

Something new and fresh all the time. We have handled a Cough and Croup Medicine for 40 years. The original receipt is lost. To anyone who has tried it the verdict is don't be without a bottle in an emergency. No more to be got after the present stock in gone.

IT IS EARLY
Yet the manufacturers have just sent in our Xmas and New Year Stock of Handkerchiefs, fancy colors predominate.

COLORED SATEN
We bought a larger stock than usual at a special price, which enables us to give you a price of 35c per yard. For bloomers, petticoats, child's dresses, etc. it is the ideal article. Priced cheaper than prints or gingham. Look at the gaudy display in our window.

LADIES SHOES
Every week we will show in our window certain lines that have been discontinued. In every case the price is less than cost. This enables us to keep fresh lines that are constantly being changed. The shoes that we offer you are comparatively new. So when you get them at half cost you can practically save the price of 2 to 3 pair of hose or go to the picture show every day in the year on what you will save.

REACH & COMPANY, LTD.

will remain for some days then move to High River, and will be at Strathmore the week following. Farmers are urged to attend demonstrations of the machine if possible. It is the purpose of the Department, if the demonstrations are satisfactory to have the machine manufactured and made obtainable to the farmers of the west at cost. It is believed such a machine would be of an immense stimulus to the dairy industry, making it much easier to put up a feed crop for winter months.

The other invention with which the Department is concerned is that of a machine placed on grain separators designed to clean wheat of all weed seeds without interfering with existing weed cleaning apparatus on the separator. The experiment with this attachment has been in the hands of W. H. Stephen, Field Crops Commissioner, and has been brought to such a satisfactory stage that several are being manufactured for tests this fall. The machine is designed with the ultimate purpose of freeing the province of the weed menace with the eventual saving of millions of dollars and should also have the effect of freeing for use in feeding, the screenings which can only now be used under strictest regulations because of their weed dangers. Mr. Hoadley's chief hope in connection with this invention is that it will make it possible to deal with weed seeds in grain once and for all on the very farm on which they are produced, so that there will be no weed seeds traveling about in the grain after it leaves the farm.

HEIRS WANTED

Missing heirs are being sought throughout the world. Many people are today living in comparative poverty who are really rich, but do not know it. You may be one of them. Send for Index Book, "Missing Heirs and Next of Kin," containing carefully authenticated lists of missing heirs and unclaimed estates which have been advertised for, here and abroad. The Index of Missing Heirs we offer for sale contains thousands of names which have appeared in American, Canadian, English, Scotch, Irish, Welsh, German, French, Belgian, Swedish, Indian, Colonial, and other newspapers, inserted by lawyers, executors, administrators. Also contains list of English and Irish Courts of Chancery and unclaimed dividends list of Bank of England. Your name or your ancestor's may be in the list. Send \$1.00 (one dollar) at once for book.
